

STEP BY STEP ONLINE ABSTRACT MANAGEMENT

Your conference content usually starts with a call for abstracts, proposals, and/or presentations and posters. We'll customize a platform that integrates these activities seamlessly into our comprehensive data management system.

MANAGING ONLINE ABSTRACT SUBMISSIONS

Seamless online submission

Personalized submitter dashboard

Program committee or peer review with dynamic scoring capabilities

Real-time speaker tracking and timeline

Online meeting grid and interactive meeting agenda

Conference proceedings published online

Speaker honorarium

BENEFITS

Flexible review scoring

Instantly emails confirmation to submitter

Fully integrated with registrations

Full paper review

Program scheduling

Automatically allocate reviewers
